Group Descriptions listed on back

*****Classes WILL begin at times listed; participants should arrive for classes 5 – 10 minutes early in order to be prepared to begin on time**

** Deep Water Exercise (class participation limit 20 max)

**Low Intensity Water Exercise (class participation limit 22 max)

**Shallow Water Exercise (class participation limit 20 max)

Shoreline / Dip ‘n’ Splash

(moderate intensity - shallow water exercise)

This is a moderate intensity, moderate stress water exercise program designed to help maintain personal fitness, tone muscles, increase strength and flexibility and build cardiovascular endurance. This program is conducted in the shallow end of the pool.

[No knowledge of swimming strokes is required, however participants must be water safe (the ability to support oneself until assisted, or otherwise reach safety.)]

Silversplash

(low intensity – shallow water exercise)

Activate your aqua urge for variety! SilverSplash offers LOTs of fun and shallow water moves to improve agility, flexibility and cardiovascular endurance. No swimming ability is required, and a special SilverSneakers kickboard is used to develop strength, balance and coordination. **[No knowledge of swimming strokes is required, however participants must be water safe (the ability to support oneself until assisted, or otherwise reach safety.)]**

Barely Wet 1 – 2

(low intensity - shallow water exercise)

This is a low intensive, low stress water exercise program designed to help those with arthritis or other physical ailments.

This is not a medical treatment program. It is designed around the needs of those with physical problems and lack of flexibility and strength.

[No knowledge of swimming strokes is required, however participants must be water safe (the ability to support oneself until assisted, or otherwise reach safety.)]

Deep Impressions / Deeply Drenched / Dancing Noodles / Waterlogged / Coomes Splashers

(high intensity - deep water exercise)

This program is designed to help maintain personal fitness, tone muscles and build cardiovascular endurance. This program is conducted in the deep end of the pool and is an excellent class for those who want a harder workout with less stress and strain on the bones and joints. The class uses flotation belts for support while in the pool. **[No knowledge of swimming strokes is required, however participants must be water safe (the ability to support oneself until assisted, or otherwise reach safety.)]**
